

PROJECT DETAILS

INTEGRATED ELEVATED EXPRESS HIGHWAY BETWEEN THE NORTH 24 PARGANAS DISTRICT OF WEST BENGAL TO THE KANYAKUMARI DISTRICT OF TAMIL NADU:

To facilitate supply chain of logistics, we propose to have an “**Integrated Elevated Express Highway between the North 24 Parganas district of West Bengal to the Kanyakumari district of Tamil Nadu**”. The corridor will be covering the 3 districts of West Bengal, 7 districts of Odisha, 10 districts of Andhra Pradesh and 13 districts of Tamil Nadu covering the east coast line length of about 2,545 km. This may require around 20 major bridges, 40 minor bridges and 5 major tunnels. The proposed highway will be integrating 5 major ports in the line viz., Tuticorin Port (Tamil Nadu), Chennai Port (Chennai), Visakhapatnam Port (Andhra Pradesh), Paradeep Port (Odisha) and Haldia Port (West Bengal).

INTEGRATED VISION - To Develop the Core Strengths of the Coastal Districts of India

PROJECT DEFINITION

INTEGRATED ELEVATED EXPRESS HIGHWAY

(Across our East Coastline – Covering WB, ODISHA, AP & TN States)

The word “INTEGRATION” represents the integration of following activities of Infrastructure Development

(1) Integrated Multipurpose Multilevel Warehousing

(2) Integration of Major Ports on the East Coastline with enhanced capacities

(3) Coastal Agricultural Reforms – Use of advanced technologies / methods is possible

(4) Coastal Energy Reforms – Wind / Solar energies optimum utilization of natural resources

(5) Fishermen Development – Enhanced quality of life with Skill Development for advanced technology

(6) Seafood forward & backward integration with industry development

(7) Connection to Satellite Towns

(8) Can play a major role in Disaster Management Plan / Activities

(9) It is a DREAM OF COASTAL INDIA – A lifeline for the entire East Coast

(10) Major role in creation of BEACH DEVELOPMENT BOARDS across the east coastline

(11) Tourism, Trade & Infrastructure Development opportunities will be increased for our NORTH EAST States
